Please attach additional pages answering the following questions:

1. Briefly describe your organization/project. Please include the following:
 - how the organization/project started
 - mission or primary goals
 - main services or activities
2. What is your strategy for achieving your mission or primary goals?
3. Describe the leadership and overall organizational structure. This should include, if applicable, the role of staff, the role of an advisory board or steering committee.

List names and include brief biographies.
4. Describe how you will raise funds to support the organization. Attach a budget outlining the key costs and sources of revenue you anticipate in the next 12 months. Include a list of any confirmed or existing funding.
